Sub : Introduction of D-Cube (Digital Docket Delivery) for Paper-LESS & Contact-LESS IMPORT OPERATIONS at ACC CSMI Airportreg

It is brought to the notice of all cargo stakeholders that as part of the e-freight initiative and ease of doing business programme MIAL is in the process of introducing **Digital Docket Delivery (D-Cube)** for Import Operations at Air Cargo Complex; CSMI Airport very shortly.

This project will also result in Paper-LESS & Contact LESS operations in order to combat the on-going COVID-19 pandemic situation as part of the Preventive Measures to ensure safe and secure operations and strict compliance of Social Distancing at Air Cargo Complex, CSMI Airport.

In this regard **D-Cube (Digital Docket Delivery)** system will be made available on **GMAX** for **User Acceptance Test platform** with effect from **28th Sept 2020** for the stake holders to get familiarised and trained. Therefore few Customs Brokers / Console Agents will be contacted by GMAX team for having the parallel operations in GMAX D-Cube for testing and acceptance of the Import Process.

All concerned are requested to kindly support and co-operate for effective implementation of the unique **D-Cube System** at CSMI Airport One of its kind having huge benefits viz Dwell Time improvement, Elimination of TSP/MAWB/HAWB/OOC/Gate Pass hard copies and signatures etc.
