

CIRCULAR No - 02/2019

Sub : Migration of MIAL Database Server to cloud facilityreg

Kind attention to all stakeholders operating at CSMI Airport and under the custodianship of MIAL, this is to inform that GMAX servers are being upgraded and migrated to new cloud facility.

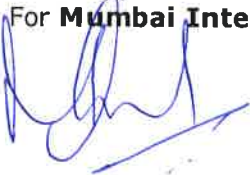

The said migration is planned effective **01st June 2019** @ 0001 hrs onwards. Due to this migration the GMAX system will not be available for operations **from 0001 hrs till 0600 hrs** on 01st June 2019. In this regards you are advised to plan your activities accordingly to ensure smooth cargo transactions.

All services including airline message exchange, customs EDI messaging, custodian management system will not be functioning during this downtime i.e **0001 hrs till 0600 hrs (01st June 2019)**. All airlines are requested to update the milestones pertaining to cargo into their respective ERP. All trade members are also requested to complete the pending transactions before the down time and start new transaction post the downtime.

For any queries please contact:-
